

More direct bookings.

The easiest way to launch and market a professional website for your property

"Our direct website sales have increased significantly, and we are only sorry we did not join them long ago!"

SARAH SHONFELD, PARKVIEW BOUTIQUE HOTEL

FOUR GREAT REASONS TO SWITCH

Why properties like yours trust Springnest

We're tourism experts

Your property has unique website needs, and we get that. We've worked exclusively with the tourism industry for over 10 years.

Regular new features and free technical updates

Stay ahead of the curve with product updates and new features throughout the year. We'll take care of the technical updates too, for free.

Easy-to-use Marketing Tools

Attract visitors and convert bookings with Special Offers, Blog Articles, Booking Engine Integration, Pop-up messages and more.

Hosting and Support

Enjoy peace of mind. All Springnest sites come with secure, quality hosting with an SSL Certificate. Our team is assist where you need help.

Top Features

Turn your website into the marketing tool it should be.

Booking Widget

Effectively integrate with NightsBridge and increase direct bookings.

Special Offers

Create and display unlimited Special offers or promotions, and draw attention with the notifications editor.

Blogging (Articles)

Effortlessly publish news, stories and events to your website with Springnest Articles, and share them to your social media channels.

Pop-ups

Create and customise Popup Messages to Promote offers, latest news, or important announcements.

Mobile-friendly design

More than 40% of online bookings are made from mobile devices. Springnest sites look amazing on all devices and screen sizes.

Widgets and Integrations

Enhance your website with WhatsApp, Instagram, Mailchimp, Facebook Messenger, local weather, Awards, and more.

Springnest Dashboard

Get a simple and easy to understand snapshot of your website's traffic and performance over a 30 day period.

Interactive Maps

Location plays an important role in booking decisions. Build an interactive map of your city, town or neighbourhood.

OUR GUEST SUITES

Luxury resorts are branded hotels that appeal to a guest with lifestyle or personal style in specific locations. They are typically full-service and classified as luxury. A key characteristic of lifestyle resorts is focus on providing a unique guest experience as opposed to simply providing lodging. Lifestyle luxury resorts are classified with a Fine Star hotel rating depending on the country and local classification process.
